Attention Businesses or Individuals:

We are excited to announce an opportunity for community businesses and individuals to support a well-known campaign, Red Ribbon Week, this coming October!

What is Red Ribbon Week? It is an ideal way for people and communities to unite and take a visible stand against drugs. Show your personal commitment to a drug-free lifestyle through the symbol of the Red Ribbon Week Campaign, October 23 - 31st. The mission of the Red Ribbon Campaign® is to present a unified and visible commitment towards the creation of a DRUG - FREE AMERICA.

Why Support the National Theme? A theme unifies each year's campaign and helps to broadcast one message creating a tipping point to change behavior.

How Can You Support the Campaign Locally? There are three levels of sponsorship: Bronze, Silver, and Gold. Each sponsor will receive a poster to display in their place of business so community members (adults and youth) recognize this campaign throughout the community. Schools are already engaged in this campaign – why not show the youth your support in the community? A breakdown of sponsorship levels is provided on the reverse side.

Who is 5C? At 5C, we work together to encourage awareness surrounding alcohol, tobacco, and other drugs through education and initiatives like Red Ribbon Week. We partner with community members or groups who want to see a healthier and safer future for our children and adults.

What Will the Sponsorship Support? Your sponsorship will provide a poster for your business to show the community that you support a drug-free lifestyle. Funds will also support 5C educational programs (like Hidden In Plain Sight and youth to attend leadership conferences). Please note that your sponsorship is tax deductible.

Sponsorships will be pooled according to school district and 25% from each pool will be given to each district to help with their Red Ribbon Week activities.

Thank you for your consideration and we hope that you will be willing to sponsor Red Ribbon Week in your community.

Sincerely,

5C Coalition
